Infrared Sauna

HEALTH MATE SAUNA

Quality Infrared

Combined heating includes Tecoloy medical-grade and carbon system with LED panel for near-, mid- and far-infrared heating designed for lasting use.

Chromotherapy

High output, 48-diode LED panel provides customizable 9-color near-infrared therapy for increased health advantages

Maximum Heat Retention

Generous wood exterior and interior construction with limited yet ample see-through glass ensures less than 5% heat loss for optimal benefits

Low EMF

10 heaters plus electrical and controllers feature safe electromagnetic frequency levels as verified by outside third parties

Bluetooth

Top performing built-in sound system syncs with any compatible smartphone for added relaxation and enjoyment

Eco-Friendly

Solid eucalyptus wood from sustainable sources for maximum quality and lasting durability plus energy-efficient design
